Dear Subscriber,

Next month starts Keep America Beautiful's Great American Cleanup. We have several cleanup events scheduled. Please pick a day that you and your friends will participate and contact our office with your commitment to "Keep Pensacola Clean & Green". The Great American Cleanup runs from March 1st to May 31st this year. If you would like to lead an effort in your neighborhood, call us to coordinate a date. Many activities can be accomplished from picking up litter on roadways or waterways, planting flowers, to painting playground equipment, sprucing up subdivision entrances or public parks, removing graffiti, or conducting a recycle drive. Let's make Pensacola-Escambia a cleaner and greener place.

Sincerely,

Gwinn Corley
Executive Director
