Winners of Daffodils

Clean & Green and Waste Management recognize AK Suter Elementary, Ransom Middle School and Washington High School as the winners of free daffodil bulbs in our teacher sign up contest in November.

President's Circle Award

Issue:

Jan 2009

Dear Jill

We'd like to share with you some ongoing projects we are participating in to "clean and green" our community. Please share these "good news" stories with your family and friends. They can join our mailing list by clicking the link at the bottom of the newsletter. No personal information is required, just an email address. You may unsubscribe at any time.

Sincerely,
Gwinn Corley
Executive Director

Great American Cleanup Kickoff March 21,
2009

Register Now for the Great
American Cleanup

We are now planning for our annual community kickoff effort of the Great American Cleanup on March 21, 2009. The City of Pensacola and Escambia County are joining us this year to "Team Up To Cleanup" our community. How many times have you driven on a litter-strewn roadway and wish someone would clean it up? Now is the time to come forward and be part of the solution. We need individuals willing to take the lead to help cleanup your neighborhood. Last year we concentrated on three locations which attracted over 300 volunteers. We would like to expand this to include an area in every County Commissioner and City Council Districts. All it takes is for someone to say "enough is enough" and work with us to eliminate the problem. So come forward and volunteer to be a group leader or a sponsor. The campaign runs from March 1st through May 31st 2009.

Participating Groups Pledging Support

Clean & Green Honored by Keep America Beautiful for High Performance Achieved in 2008

Clean & Green was awarded the President's Circle Award December 2008 for excellence in litter prevention, waste reduction and beautification/community improvements. Clean & Green provides real solutions to problems like litter, illegal dumping and other community blights. Through our dedicated volunteers, board members, and sponsors, Clean & Green is effective in organizing grass roots groups and individuals to make a difference in our community. We look forward to another great year.

Mayor's Beautification Award

Out With the Old and in With the New

Pensacola Mayor Mike Wiggins believes in a "cleaner and greener" community and will be working with Clean & Green to encourage City of Pensacola residents and businesses to cleanup up and green up. Our old Thumbs Up

and Proud Neighbor Awards were due for an overhaul. The new Mayor's Beautification Award will be awarded in March. Mayor Wiggins has graciously volunteered to pay for the new signs out of his own pocket. There will be just one sign for both business and residential awardees. We are taking nominations through February. Download the nomination form from our website www.cleanandgreen.org or request one from cleangreen@bellsouth.net.

Mt Zion Cemetery

Vice Security has committed to the care of the area located on Olive Road between Old Palafox St and Briese Lane.

Clean & Green "Impacts" the Community

Cedartown Road had been an 'eye sore' since Hurricane Ivan destroyed a family's mobile home. The property owner hired an individual to remove the trailer which resulted in removal of only the salvageable materials. Thanks to funds from IMPACT 100 and Clean & Green's new bobcat purchase we were able to remove 90 cubic yards of remaining debris and making Cedartown Road a better place.
